

Sitka

Evergreen® 2.12 - The next chapter

New Features

OPAC

1. Advanced Search Limiters Enhancement
2. Links to Other Formats and Editions
3. Popularity Boost for Ranking Search Results

My Account

1. Notification Preferences Tables merged
2. Improved Holds Screens in My Account
3. A change to the public catalog My Account screen where the font for leading articles will now be smaller when sorting a list by title.

Circulation

1. Punctuation Insensitive Patron Search
2. New item status = "Canceled Transit"
3. Show Copy Alert on in house use
4. Set Per-Org Unit Limits on Allowed Payment Amounts
5. New Displayed Columns available in the column picker
 - a. Date Active
 - b. Age Based Hold Protection
 - c. Acquisitions Cost

Cataloguing

1. New Acquisitions Cost field in the Item Attributes Editor

Acquisitions

1. New Acquisitions Cost field in the Item Attributes Editor
2. New Acquisitions LSE allows the library to decide what status an item goes into when received
3. **Bug Fix** - Purchase orders will now automatically update to "received" status when the last on order copy is marked as received or cancelled
4. **Bug Fix** - A change to the acquisitions funding source funds drop down menu so that the menu will now only display active funds and will also display the year alongside the fund.

Reports

1. New "back to output index" link in tabular output view
