

Sitka

What's New in Evergreen 3.9 Sitka's Annual Evergreen Upgrade

Sitka's Evergreen servers will be unavailable from **Saturday, August 13th @ 9:00 pm PT** until **Monday, August 15th @ 5:00 am PT**.

Check the [Evergreen 3.9 Upgrade](#) page for the most up to date information.

Before the Upgrade (*now until August 13th*)

- Ensure relevant staff are subscribed to Sitka communications through bc.libraries.coop
- Go through the [3.9 preview page](#) to familiarize yourself with the changes
- Watch the [new features videos](#) - and check back often as new ones will be posted
- Explore your new public catalogue using your [preview site](#) and the [testing checklist](#)
- Communicate to your patrons that a change is coming
 - LibPress libraries - use the shared Evergreen upgrade slide

During the Upgrade (*August 13th - 15th*)

- The web staff client and the public catalogue will be unavailable
- The offline module will be unavailable
- Authentication of most 3rd party services will continue so your patrons' access to most digital resources won't be affected by the upgrade

After the Upgrade (*August 15th and beyond*)

- Before you do anything else, [clear your cache!](#)
- If you run into an issue:
 - Check the [known issues list](#)
 - Check the [documentation](#) - *this will be updated to 3.9 on August 15th*
 - Contact [Co-op Support](#)
- Public catalogue logo and colour tickets can be submitted but won't be addressed until September.

Significant Changes

- New Public Catalogue
- New Holdings Editor
- Bug Fixes to Search Results and Record Summary
- Consolidated Patron Notes interface
- Updated Acquisitions Administration interfaces
- New Course Reserves Module
